iBaby Monitor M7

The iBaby M Series Evolution Continues

About iBaby Monitor M7

The iBaby Monitor M7 is your end to end IoT baby monitor. With unrivaled new features that detect soiled nappies, a built in light show and a base plate SOS button, you can have 100% confidence that you have chosen wisely. Backed by iBaby quality and support the M7 comes with all the usual M-Series product features you know and love. The iBaby Monitor M7 is a true family companion and a must have for complete peace of mind.
